

Joyful Noise: Grades 3-6

Beginning September 20, 2015
Sunday Mornings from 9:30-10:00 a.m.
Meeting in the lower level Sunday school classroom (L2)

What is Joyful Noise?

Make a joyful noise to God, all the earth! Psalm 66:1

9:30-10:00: Melissa Burke, along with Brian Voss as accompanist, will lead the children in singing, rhythm, and music. Melissa has been active in music and children's programming for several years at Prince of Peace. Children will sing at worship about once a month.

10:00-10:30: We offer Sunday School for children following Joyful Noise choir practice each week from September-May. Kids will gather at the end of choir to learn more about God with the help of their Sunday school teachers and the *Spark* Sunday School Curriculum. Parents are welcome to join us if you choose; you might enjoy some fun too!

????Questions????

Please feel free to also contact the Children's and Family Ministry Coordinator, Tammy Wilkinson at: tammy@princeofpeace.tc or 651-484-4144 if you have more questions.

Can we participate in one and not the other?

Children will benefit by doing the whole program together. Each is a stand-alone activity however, and you can choose to participate in just one or the other.

Can parents participate?

Parents are encouraged to participate in as much of the evening as they would like to take part in. All are welcome!

Can my child invite friends to programs at Prince of Peace?

Yes! We love to meet new people at Prince of Peace. We are all about encouraging children and family to invite your friends and family to any and/or all events. The more the merrier!

What about the younger children?

Children in preschool, kindergarten, first, and second grade participate in *Alleluia Choir* on Sunday mornings through our Sunday school program. We have age appropriate groupings for these two different children's choirs. *Alleluia Choir* will sing at various worship services throughout the year.
